Social Media Intern
ZenZebra

To Whom It May Concern:

This is to certify that Aditya Bisht was associated with Bohemian Curations Private Limited (ZenZebra) as a Social Media Intern from Aug, 2025 to Jan, 2026.

During the tenure, Aditya was involved in supporting the company's social media and digital marketing activities. Key responsibilities included content planning and coordination, social media posting, engagement tracking, trend research, campaign support, and assisting in the execution of brand communication initiatives across various digital platforms.

Throughout the internship, he demonstrated enthusiasm, creativity, and a willingness to learn. The individual carried out assigned responsibilities diligently and contributed positively to the team.

We appreciate the efforts and contributions made during the internship period and wish him success in all future academic and professional endeavors.

Best Regards
